

CONNECTION THAT **MOVES** WITH YOU

Enjoy WiFi coverage at home and on-the-go throughout Waterlin. Whether you're taking a morning call, grabbing coffee at Common Grounds, or hosting backyard movie night, WiFi extends from your home into key community gathering spaces, keeping connection close wherever the day takes you.

REAL PEOPLE. REAL HELP. RIGHT AROUND THE CORNER.

Friendly, local support is nearby and ready to help. A dedicated **GigaGuide™** technician is in the neighborhood at Common Grounds to provide service for Waterlin residents.

LIFE FLOWS EASIER HERE

Life at Waterlin is designed to flow with ease, right from the start. Your ultra-fast 2 Gig fiber internet is active the moment you arrive, with pre-wired homes, built-in home WiFi, and dedicated support ready before you even walk through the door.

There is nothing to schedule and nothing to wait for, leaving you with one less thing to worry about on move-in day.
